CAREER OBJECTIVE

As a properties designer with over ten years of experience and a speciality in set dressing, I strive to bring forth the best design and experience possible for every guest that walks through our gates.

EXPERIENCE

FIGURE FINISH ARTIST

Universal Orlando Resort | Orlando, FL | June 2021 - Present

- Acted as a stand in lead (Green Card Lead) when the leads were not present. Assigned daily tasks, supervised shop work, and took responsibility for all USF or IOA park venues for the night.
- Maintained the original aesthetics and function of the animated figures, props, and sets within the Rides and Shows.
- Inspected figures, sets, props, shop facilities, equipment, and tools for any wear or damage and documented findings during show quality walk-throughs.

PROPERTY SHOP MANAGER AND DESIGNER

Hope Summer Repertory Theatre | Holland, MI | May 2018 – July 2018

- Supervised and led the prop staff and interns to ensure props and set dressing were completed in an efficient and safe manner for a five-show season.
- Collaborated with the artistic director, creative staff, and department heads to realize the design for each production.
- Interpreted technical drawings, research images, and verbal concepts to produce functional props and set dressing.
- Managed production/shop budgets and maintained accurate recordings of financial expenditures.

GRADUATE ASSISTANT

University of Illinois at Urbana-Champaign | Urbana, IL | Aug. 2017 - May 2020

- Built, purchased, and rented hand props, furniture, and set dressing for theatre, opera, and dance productions spanning a thirteen to fifteen show season.
- Supervised, instructed, and mentored four to five undergraduate students enrolled in practicum courses.
- Developed projects for undergraduate shop assistants tied to the learning outcomes of training experience working in a professional shop environment.

TECHNICAL MANAGER

Andrean High School | Merrillville, IN | Dec. 2013 - July 2017

- Worked alongside the director to plan and create all technical aspects of a three show season. Additional positions included: technical/design advisor, stage management advisor, crew chief, and competition coach.
- Educated students on the proper use and function of tools and materials spanning all aspects of technical theatre during after school workshops.
- Assisted with the collaboration across multiple clubs and departments to ensure student growth and community.
